Setting up India Power Fund

†189. SHRI P.K. MAHESWARI: Will the Minister of POWER be pleased to state:

(a) whether Government propose to set up an India Power Fund in order to attract private investors in power sector in the country;

(b) if so, whether Government have drawn any plan for this fund;

(c) the reasons for assigning the task of operating the India Power Fund to Power Finance Corporation; and

(d) the manner in which Government plan to use the said fund?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI JAYAWANTI MEHTA): (a) to (d) Under 16th Electric Power Survey, the Central Electricity Authority (CEA) has projected a requirement of capacity addition of around 1,07,000 MW by 2012 AD. The investment required to add this additional capacity alongwith associated Transmission & Distribution (T&D) system is estimated to around Rs. 8,00,000 crores. Power Finance Corporation (PFC), a

†Original notice of the question was received in Hindi.

Development Financing Institution catering to the funds requirement of the power sector at Central, State, Private and Joint Sector level, has mooted a concept of India Power Fund (IPF) to meet the debt and equity requirements for this purpose. The proposal is at present at concept stage.

Electrification of villages during 2002-2003

190. SHRI C.O. POULOSE: Will the Minister of POWER be pleased to state:

(a) the number of villages without access of electricity in the country; State-wise list;

(b) whether Government have fixed any target for electrification of villages during 2002-2003; and

(c) if so, the number of villages targeted for electrification during this period; State-wise details?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI JAYAWANTI MEHTA): (a) State-wise details of unelectrified villages in the country as on 31.8.2002 is given in Statement-I. (*See* below)

(b) and (c) State-wise details of villages proposed to be electrified during the year 2002-03 is given at Statement-II. (*See* below). Besides, Ministry of Non-Conventional Energy Sources have also planned to electrify 500 remote villages during the year 2002-03.

Statement-I

Electrification of villages during 2002-03.

Unelectrified villages in the country as on 31.8.2002
